

ANTONIO HERNÁNDEZ GIL FOUNDATION

COOKIES POLICY

A cookie is a small text file that is stored in your browser when you visit almost any web page. Its function is to make the web capable of remembering your visit when you return to navigate this page. Cookies store and retrieve information about technical navigation, personal preferences, usage statistics, links to social networks, access to user accounts, etc.

The purpose of the cookie is to adapt the content of the web to your profile and needs in order to improve usability. Cookies are not harmful elements, they are associated only to an anonymous user and their computer/device and do not provide references that allow access to personal data.

You can access your browser settings at any time to modify and/or block the installation of cookies sent by the web. However, the quality of the services may be affected.

Type of cookies and their role:

From a technical point of view, cookies allow websites to function more seamlessly and adapt to user preferences, for example by storing the language, the currency of the country or detecting the access device. It also establishes levels of protection and security that prevent or deter cyber attacks against the website or its users.

The analysis cookies allow the statistical measurement and analysis of the users' interaction with the services offered. To do this, we analyse the navigation on the website in order to improve the quality and experience of the visit.

The advertising cookies allow the promotional space of the website to be managed in order to optimize the advertising shown to the users.

There are also session cookies (designed to collect and store data while the user accesses a web page) or persistent cookies (data is stored on the device and can be accessed or processed for a period defined by those responsible for the cookie).

Cookies used on this site:

Following the guidelines of the Spanish Agency for Data Protection, below is a description of how cookies are used by this website in order to provide the most accurate information possible.

Thrid party cookies:

_ga -->Google Analytics

Own cookies:

ci_session —> Internal session cookies

fahg_eu_cookie --> Cookie for the acceptance of the cookie policy

Updates and changes to cookie policy

The Antonio Hernández Gil Foundation may modify this Cookies Policy in accordance with new legislative or regulatory requirements, or for the purpose of adapting said policy to the instructions issued by the Spanish Data Protection Agency.

When significant changes occur in this Cookie Policy, users will be notified by an information alert on the website.

Deactivation or removal of cookies

You may exercise your right at any time to deactivate or delete cookies from this website. These actions are executed differently based on the browser you are using.
